# GRABER®

Graber is pleased to now offer cordless lift for layered shades. Cordless lift not only gives shades a clean, streamlined appearance, but offers a number of unique benefits you're sure to delight in every day.

WELCOME TO INSPIRED  
INNOVATION

Our newest, patent-pending lift system offers precise placement with just a touch for truly effortless light control—plus, it's smooth, quiet operation makes the shade feel virtually weightless for a modern luxury you won't find anywhere else.

## Precise, Smooth Luxury.

### QUIET, LUXURIOUS OPERATION

Enjoy smooth, quiet, and virtually weightless operation that won't wake a sleeping baby or partner.

### ENHANCED PRIVACY

Graber Layered Shades with UltraLite offer the smallest light gap in the industry for more precise light control.

### SAFETY FIRST

Cordless lift is a safer option for homes with children and pets and is certified Best for Kids™ by an independent lab.

### CUSTOM STYLE

Available in wider and longer sizes (up to a foot) compared to other brands, Graber Layered Shades can also be ordered in exclusive, quality fabrics for truly modern, distinctive design.
